CODE OF ETHICS

The mission of TIPSASA is to promote and maintain the common interests of the members of the Association, and to improve the social, economic and environmental sustainability of Southern Africa by the promotion of energy conservation through the greater use, better understanding and application of thermal insulation and to enforce guidelines and rules which govern the Association.

TIPSASA members focus on the development of products and services for the building and construction industry with specific attention being paid to energy efficiency.

The members of TIPSASA, the Thermal Insulation Products and Systems Association SA, agreed to The Advertising Standards Authority of South Africa's (ASA) Code of Advertising Practice as the guiding document for a Code of Ethics for TIPSASA Members.

The Code of Ethics essentially, consists of a set of moral guidelines, as contained in the ASA Code of Advertising Practice, towards conductance of appropriate behavior. Such behavior conforms to professional standards of conduct. TIPSASA Members will also comply with the SAEEC By-Laws.

TIPSASA members will not engage in any activities that would undermine the integrity of the Association and will conduct their business fairly, impartially and ethically.

This Code of Ethics is intended to preserve and advance the image of TIPSASA and its members as being honest, transparent and motivated by performance excellence by;

- a) compliance with the South African National Building Regulations
- b) providing a platform and forum and becoming the National body in all matters pertaining to thermal insulation with Government, NGO's and Professionals
- c) dissemination of information to Consumers and Professionals
- d) promoting socially responsible behaviour through the Code of Ethics.

Members in compliance with the National Standards and adhering to the Code of Ethics, as set out by the ASA Code of Advertising, will enjoy the benefit of the protection from erroneous or false claim of others.

Membership of TIPSASA will provide recognition that products and services meet the requirements of quality, performance and safety as set by the SABS.

Members pledge to:

- undertake their professional responsibilities with integrity.
- agree not to comply with any instructions requiring dishonest action or the disregards of established norms of safety or levels of risk in the design, manufacture and marketing of their goods.
- endeavour to minimise any adverse environmental impacts of their technologies and manage resources in a sustainable manner.
- advertising and services should be legal, decent, honest and truthful, and be prepared with a sense of responsibility to the consumer.

DECLARATION
